BY
MOLLIE-MAE, LUCY &
GEORGIE

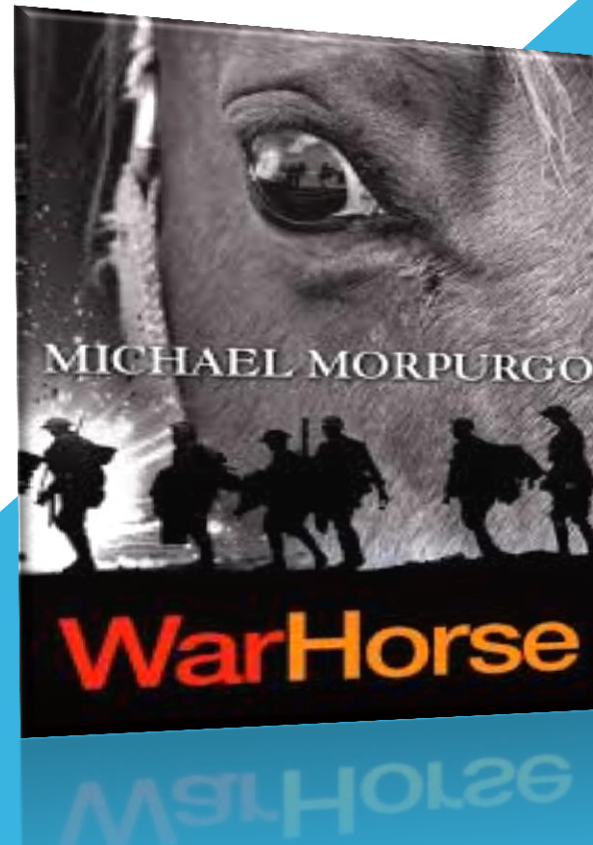

CLOCKWORK

This well known book was written by Phillip Paulmen. This author has written many other novelistic books, they all have the same type of text and passion and emotion.

Some authors like Jacqueline Wilson write their stories backwards, as much as this is unusual it is very effective towards the reader.

WAR HORSE

This sad but interesting book was written by Michael Morpurgo. Although he has written many other books my group: Lucy, Mollie-Mae and Georgie, all think this is by far his best book. As it really draws in the reader and it makes them want to read more.

THE AUTHORS

Philip Pullman

Michael Morpurgo

Michael Morpurgo is the author of War Horse and Philip Pullman is the author of Clockwork.
