

SALT DOUGH CHRISTMAS DECORATIONS

5/6F Newsletter

DECORATIONS

- ▣ In class 5/6F this term we have been making salt dough decorations for our school Christmas tree.

How we made them?

- ▣ Firstly we added salt to the flour and water. Then we shaped the dough into Christmas decorations. Then we cooked them in the oven. Next we cut a hole into our creations and threaded a piece of string. They also decorated and covered them in glitter and then left the glue and the paint to dry.
