# P.E

5/6F have lots of fun in P.E and Mrs Farley advises us to be very mature and fair when it is a very competitive game .The games that we play are: crab football , quick cricket, rounder's the jail game , and dance. The most popular sport was agreed to be crab foot ball , Mrs Farley highly rated crab football as well as nearly everyone in the class. Second most favourite is Kwik cricket . Most people like crab football , however dancing, rounders and the jail game are really good exercise and super fun.
