

Limericks about Nell

Nell was a black dog who liked to play,
She played with a basketball one day,
It popped in her paw,
So she had to buy more...
And Miss Addison had to pay!

Keenan C. Ashlee H. Tyler B.

We have a good black gundog named Nell,
One day she fell into a bog well,
Now she smells like "wet dog"
And she found a frog,
And she also found a small shell.
