

If you are considering Claybrooke as your child's school, please be assured that we welcome your active involvement with your child's learning experience as this is the most effective way to meet the needs of your child. We hope that you will also pay a visit to the school so that you can 'see us in action' and gain a greater understanding of our ethos.

Based on our vision of learning, caring and sharing, the school's dedicated team of professionals are committed to providing the best education possible for the children in the South Leicestershire area, within a caring, happy and safe learning environment. Our staff ensure that the children receive a range of stimulating and challenging learning opportunities within a supportive environment. We place an emphasis on the individual and work together with parents to achieve the best for each child. We are proud of the children's achievements and have high expectations of them.

The website should give you an idea of life at Claybrooke Primary School and how we work. We are always willing to talk about our work and discuss any concerns you have. The school has an "open door" policy and encourages you, as parents, to contact class teachers in the first instance should you wish to discuss anything.

Jo Blackburn

Head Teacher
