Dear Mrs Wood

**PUPIL PREMIUM AWARDS 2015**

---

On behalf of Sunderland City Council, I would like to congratulate your school on its success in the Key Stage 2 category of this year's Pupil Premium Awards. It is a great credit to you and your staff that Grange Park Primary School been identified as one of the most improved schools in the country for the attainment and progress of pupils from disadvantaged backgrounds. At a time when closing the attainment gap is a major priority for the city, it is good to know that some of our schools are already making impressive progress in achieving that objective.

Please pass on my appreciation to your colleagues, governors, parents and pupils for their contributions to achieving this success – and many thanks to you for providing such strong leadership.

Best wishes,

Neil Revely
