Dear Chloe, Issabella, Dominic, Jake and Mya

I have just read the article in the Portsmouth News that you, and others in Year 5, are producing your very own school newspaper, called *St John's Jolly News*.

Well done! This is very exciting and I hope you really enjoy writing on lots of different topics.

I am sure that everyone in the school will be interested to read each edition.

Do keep writing and one day you might be famous journalists!

Best wishes
Mark
