**Internet Safety: Advice to Parents  
'Cyberbully' Channel 4:  
Thursday 15<sup>th</sup> January 2015 9.00pm**

Dear Parent / Guardians,

The Federation of St. Cuthbert's and St. Sebastian's is committed to all safe-guarding issues for all of our children. An on-going high priority for us is the safety of our children when using the Internet or any social media sites / APPs.

In line with this, we would like to draw your attention to a television drama 'Cyberbully' which has been recommended to us by Liverpool Education Authority for your viewing. This programme is after the watershed and therefore is suited for adult viewing only. This drama is inspired by dozens of real-life cases, documenting the life of a teenager battling with an anonymous cyber stalker. Although it is about a secondary child, we feel that the social media issues are still applicable to our children.

We feel that though the nature of this drama is alarming, it will certainly be informative and all parents should be aware of the potential dangers facing children when using the internet. We strongly advise that if possible, you take the opportunity to view this programme.

Further information about 'Internet Safety' Day: 10<sup>th</sup> February 2015 will be provided.

Many Thanks for your continued support,

Mr D. Hardiman
