Wednesday 22nd September 2010

Dear Jill

Following initial analysis of the provisional Key Stage 2 results, I write to congratulate you, your pupils and your staff on achieving results that place your performance well in to the top 25% of schools nationally.

We are always pleased when our pupils make the progress we expect of them and it is fantastic to see that more than 100% of your pupils made at least 2 levels of progress in both English and Mathematics.

It is clear that these achievements are the outcome of hard work, careful preparation and excellent teaching and will give your pupils every opportunity to move on to their secondary education with real confidence.

As we strive as a Local Authority to maintain and improve standards we are extremely proud of the commitment given by all who contributed to this result.

With best wishes for your continued success

Yours sincerely

Andy Breckon
Head of School Improvement Service
