Home—School Agreement

Dear Parents & Carers

At Highnam Academy children work within a safe, stimulating environment in which all staff focus upon providing the highest possible standards of education and upon enthusing pupils with a love of learning. Through creative, broad and balanced experiences within a caring, disciplined environment, we aim to inspire confidence and to celebrate the successes of all.

We strive to ensure happiness and personal growth by utilising Christian values and by developing a culture of mutual respect. By working in partnership with families we aim to meet the needs of the whole child and to provide a firm basis for our pupils to take with them into the wider world.

We believe this is best achieved when pupils, parents, teachers and all adults work together in partnership.

This Home-School Agreement sets out our values and ethos, which if adhered to, enable us all to work together in a mutually respectful and positive way for the benefit of all our pupils.

We ask you to read this agreement through with your child very carefully. Please then sign and return the agreement to school. We welcome your support and value your involvement.

If any concerns arise with this agreement, please contact Mr. Dean, Headteacher.
