

# Stay 2 Play News

FEBRUARY 2015

It has been a wonderful start to the New Year although a very cold start! I would like to welcome our new children to the after school club, we seem to be getting busier and busier.

As cooking is always a big hit with the children we planned two weeks of it. Cooking 'Toad in the hole' was a huge favourite and tasted 'Amazing' one child said. Creating their own pizza, by rolling out the dough and placing as many toppings as they liked caused lots of laughter and lots of mess!

After a lot of persuasion from the children I felt it was time to bring back the 'Treasure Box', the children earn ticks on a chart for showing positive behaviour. The children are earning lots of ticks so lots of treasure will be given out very soon!

Our new board games have been a great success, it is lovely to see all the children playing together learning important values of sharing and working as a team.

Lastly a HUGE thank you to Debbie Goodridge and Louise Dibden for their continuing support and to all our parents who help with the transport.

From Sarah, Leila and myself have a fab half term holiday.
