Dear Parents/Carer

There appears to have been some confusion of late, regarding the School's Behaviour Policy. I would like to reassure all concerned that we have not introduced a new policy, or new measures, for inappropriate behaviour. We are currently having a greater focus on behaviour which also includes an emphasis on our reward systems. As a school, positive behaviour is always a high priority to help ensure a safe environment is created, where not a second of learning time is wasted, and a mutual awareness and respect is nurtured. Thank you very much for your continued support.
