Mrs Lock

Apologies-none.  
Niks not here.

1. Pupil Parliament introduced themselves. (Keeley and Abi) and spoke about what they do at the meetings. All gave ideas about ideas for time capsules.

2. Voted on secretary, Abi, and on chairperson, Keeley. Also, two deputy chair people, Annika and Daniel. All gave a speech about why they wanted to be it.

3. By next week Mrs. Lock will have badges and books for all school council, 14 people so 14 of each.

4. Keeley will find out when comic relief is to see what school council can do. Also, we can plan a meeting near to that event and all wear red noses!

Watch out on the board for next meeting!
