

St. Stephen's Catholic Primary School, Skipton in the Diocese of Leeds

Admission Policy 2015-2106

St. Stephen's Catholic Primary School was founded by the Catholic Church to provide education for baptised Catholic children. The school is run by its Trust Board as part of the Catholic Church in accordance with its Trust Deed and memorandum and Articles of Association and seeks at all times to be a witness to Jesus Christ.

If the number of preferences received is less than the admission number then all preferences will be met. However, when there are more applications than places available, priority will always be given to Catholic applicants in accordance with the oversubscription criteria listed below. By applying to this school parents, or carers, are declaring their support for the aims and ethos of the school.

The Trust Board has responsibility for admissions to the school and intends to admit 28 pupils to reception in the school year which begins in September 2015.

Oversubscription criteria

At any time where there are more applications for places than the number of places available, places will be offered in the following order of priority:

Tie Break

-Where the offer of places to all the applicants in any of the categories listed above would still lead to oversubscription, the available places will be offered to those living nearest to the school. 'straight line distance' will be used as the measure (see notes).

-If two or more pupils live equidistant from the school, the distance each pupil lives by road from the preferred school will be measured and the place offered to the pupil who lives nearest by this means. In the event of this being equal, places will then be decided by random allocation (see notes).

-Where there is more than one application from a postal address contained within a block of flats, places will be decided by random allocation (see notes).

Application Procedures and Timetable

Failure to provide a Common Preference Form (CPF) would mean that the application is not valid and failure to provide a Supplementary Information Form (SIF) could mean that the applicant is placed in the last criteria.

A standard application form, known as the Common Preference Form must be completed and returned to North Yorkshire County Council by 15th January 2015.

The Supplementary Information Form attached to this policy should be submitted by 15th January 2015 to the school office, St.Stephen's Catholic School, Gargrave Road, Skipton, BD23 1PJ.

Parents or carers will be advised of the outcome of their applications on 16th April 2015.

Unsuccessful applicants will be given reasons related to the over-subscription criteria listed above and advised of their right of appeal to an independent appeal panel.

Deferred entry to primary schools

Parents of children who are offered a place at the school before they are of compulsory school age can defer their child's entry until later in the school year or until the child reaches compulsory school age in that school year. Where entry is deferred, the school will hold the place for that child and not offer it to another child during the remainder of the school year. Parents cannot defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted.

Parents can also request that their child attends part-time until the child reaches compulsory school age.

Admissions outside the normal admission round – applications should be made to the school and will be dealt with by the admission authority of the school i.e. the Trust Board. If there is more than one application for an available place the governors will make their decision using the oversubscription criteria listed in the appropriate policy for the year group. Unsuccessful applicants will be given reasons related to the oversubscription criteria listed above and will be advised of their rights to appeal to North Yorkshire County Council Appeals Panel.

Waiting Lists

As well as their right of appeal, unsuccessful applicants will be placed on a waiting list. This waiting list will follow the order of the oversubscription criteria set out above. Names are normally taken off the list at the end of the academic year.

Pupils with a Statement of Special Educational Needs

The admission of pupils with a Statement of Special Educational Needs is dealt with by a completely separate procedure. This procedure is set out in the 1996 Education Act. Details of this separate procedure are set out in the Special Educational Needs Code of Practice.

Notes (these notes form part of the over-subscription criteria)

Catholic means a member of a church in communion with the See of Rome. A certificate of baptism in a Catholic church, or a certificate of reception into the full communion of the Catholic Church, will normally evidence this. This includes the Eastern Catholic Churches.

Catechumens are those children who have given an explicit desire to be baptised into the Roman Catholic Church and who are currently preparing to receive the same by regular participation in Sunday worship and a recognised programme of preparation. A letter confirming this is required from the Catholic priest preparing the child.

Looked After Child has the same meaning as in section 22 of the Children Act 1989, and means any child in the care of a local authority or provided with accommodation by them e.g. children with foster parents.

Looked After Children from Catholic Families – this has a dual meaning. It could be the child themselves who are baptised Catholic or it could be the family who are caring for the child that is Catholic. If it is the child who is a baptised Catholic normal rules apply and a baptism certificate should be seen by the admission authority. However, (in limited situations) this may not always be possible and in these cases the admission authority should seek to ensure that the child is baptised. If a child is placed with a Catholic family who wish the child to have a Catholic education this should be evidenced by a baptism certificate of either parent carer.

Defined area is a geographical area. Please see boundary maps available for inspection in school (boundaries determined by the Diocese of Leeds).

Siblings (Brothers and Sister) include children with brothers and sister (including step-siblings, adoptive siblings and foster siblings) of statutory school age, living at the same address, in attendance at the same school on the date of admission.

Twins or Triplets (or multiple births) - where a family of twins or triplets request admission and if one sibling has been offered the 30th or last place the 'excepted pupil' rule comes in and the other twin/triplets are offered a place.

Live - In all categories "live" means the child's permanent home address. A child is normally regarded as living with a parent or guardian and we will use the parent or guardian's address for admission purposes.

You cannot lodge a child with a friend or relation in order to gain a place at a school. For admissions purposes only one address can be used as a child's permanent address. When a child lives with more than one parent/carer, at different addresses, we will use the preference expressed by the parent/carer at the address where the child lives the majority of the time during the school week as the main place of residence.

Straight Line Distance - in all categories, when decisions have to be made between children satisfying the same criterion, children living nearest to the school, using a straight line measure, have priority. The school uses the measurements supplied by the Local Authority.

Random Allocation – this is only to be used when the last place to be offered would fall into one of the two categories above i.e. children living in a block of flats or children who live equidistant from the school using straight line distance criterion. An independent person will be used to make the random selection.
