

Our Value for January is **COOPERATION**

- **Working together towards the same goal**
- **Helping someone to achieve what they couldn't achieve alone**

In school our pupils are encouraged to work together harmoniously to fulfil given tasks. We will point out that things can often be done better together than on our own. We will consider the importance of working respectfully, sharing tasks, caring for and listening to each other, valuing each other's opinions and ideas. Throughout this month there will be an emphasis on teamwork with the obvious link to sporting activities but also related to work in classrooms. We will stress that this is an extremely important value which is a skill required throughout life, both in the workplace and within the family. Our Assemblies will feature stories, discussions and activities involving working together.

Thought for the month: *'There is strength in numbers.'*

At home during this month you may like to consider a small project within your home, to which you could all contribute, everyone playing their part towards a worthwhile conclusion. Everyone will end up with a sense of satisfaction and achievement.
