

Shears Green Infant School

Our vision is to create independent, happy, healthy and confident people, by developing skills for life long learning in an ever changing world.

NEWSLETTER 12 13th March 2015

Athlete

On Tuesday 3rd March we were lucky to have a visit from Luke Lennon-Ford a 400m sprinter. The children enjoyed taking part in a fitness circuit with Luke where they had to perform each activity for a minute (star jumps, press ups, mountain climbers and spotty dogs). The children then enjoyed listening to Luke and finding out how he has become a 400m sprinter.

Thank you for all the sponsorship money that has been returned so far. We would be grateful if all sponsorship money could be returned by Wednesday.

Headteacher: Mrs Kotze

Chair of Governors: Mr Reading Business Manager: Mrs Harding

Well done to our Early Years Foundation Stage team who carried out an audit with the local authority last week. They were congratulated on their practise so far and have shared some great opportunities to make our reception classes even better. We look forward to working on those ideas in terms 5 & 6.

We need spare Uniform, particularly knickers, socks and tights. We spent £140 last year on spares but these resources have now depleted again. If you do have any or out grown items please send them in so we can make use of them.
Many thanks for your continued support.

Bug Club will be unavailable for one week for upgrading

Website

Bug club will be unavailable for one week for upgrading. If you haven't visited our website yet please spare a few minutes to take a look particularly at the class pages where you can see lots of examples of the great learning opportunities your children are experiencing www.shearsgreeninfantschool.co.uk.

FIZZ

Mrs Gilbert & Mrs Gibson have been working with Year 2 to set up an enterprise club to teach the children about money and business strategies. A group of children have now formed a company called Fizz and their aim is to raise money for a mural on the library wall. They would like to sell bath bombs at the Summer Fayre. In order to get the money to do this Fizz would like to sell cakes at the Maths exhibition on Friday—More details to follow.

Parents Evening—24th March 2015

Online booking opens Monday 16th. If you do not have access to a computer then please contact Mrs Nichols in the school office who can book a time for you.

School Council

We met this week to look at all of the fantastic mural entries. Thank you to everyone who entered. It has been a very challenging decision to make as the entries have been of a very high standard.

The school council have narrowed the entries down to 13 and are now sharing these with their class mates to hold a voting session.

The winner will be announced on Friday 20th March.

Good luck everyone!

Congratulations to Harry, Ewa & Zeyneb who represented our school at a computing and maths day held at Langafel Primary. Our children came first overall in the competition set with

Harry also achieving 2nd place

Zeyneb also achieving 3rd place

Ewa also achieving overall performance

Our thanks go to Miss Khan and Miss Cato for supporting the children.

Please see the website for details and pictures.

Fire Alarm Practice

Well done to our whole school community who took part in an unannounced fire alarm practice this week at lunchtime. I am very proud of the children who calmly evacuated following all the procedures taught.

Well done!

PTFA Quiz night

Please send you entries in asap as there are not many entries and it may need to be cancelled.

Farm Visit

Reception classes were lucky enough to have a visit from the mobile farm. They saw lots of animals including pigs, lambs, goats and chickens.

Maths Week & School Meal taster day

Next Friday 20th the children will present their amazing maths work through a celebration exhibition. Alongside this Principals would like to take the opportunity to share some taster pots which will be served in the top hall alongside some of the children's work. The exhibition will be held in the main hall & the dinner hall. We look forward to seeing you there.

Dates for your diary
