SALTERLEE SCHOOL

100 CLUB

Dear All

It's that time again! This year, more than ever, with rising prices in fuel, insurance and servicing costs we need your help to run our two mini buses. The running costs are not met totally by the 100 club, but it goes a long way to helping. The 100 club is effectively a lottery, each ticket being £1. There will be a draw every month with a $\frac{1}{4}$ of any money raised going back out as prize money. Last year we sold 104 tickets, with 10 people winning a jackpot of approximately £25.50 each month.

Our children at Salterlee **ALL** make use of the mini buses and are very privileged to have this facility available to them. Without the mini buses they would not be able to enjoy as many excursions as they do now. Please try to sell as many tickets as you can to friends, relatives etc.....

To keep administration down to a minimum, tickets are available in blocks of 10. One ticket bought now will be valid for the next 10 monthly draws. Draws will take place at the last Gold Book Assembly each month, starting in October. To reach our minimum target of 100, parents should try to buy a ticket for each of their children in school, but let's try to sell 200 this year, with a jackpot prize of £50 each month

Just remember, it **COULD BE YOU** going home with the prize money!!!

To join please fill in the form below and return it to school, either cash or cheque payable to: **Salterlee 100 Club**.

So that we can target reminders more effectively, I would be grateful if you could fill in the second slip if you do not wish to join. That way we will know you have made the decision not to join rather than 'just forgot.'

Many thanks for your continued support.

Sam Thompson
