Lyneham Primary School

Parent Pocket Guide

Helping in School

Kindly printed by RAF Lyneham

We need you!

Lyneham Primary is interested in getting parents into the school more often. Your help is invaluable. Besides the benefits to the class, you will also be able to see our approaches to learning.

Here are some things we need help with:

- Small group work in the class (with guidance from the teacher)
- Reading
- Photocopying
- At home - making resources
- PE
- Art
- Cooking
- Sports day
- General help based on the needs of the class and/or skills you have to offer
- Helping a child with homework
- Gardening
- School visits

Guide to your involvement:

(Please see our policy and guidelines for parents helping in school)

- CRB clearance **must** be obtained from the Local Authority.
- Lyneham Primary School will issue you with a formal identification badge.
- You must present your I.D. badge for verification at the school office when on arrival each visit.
- Sign in and out at the main reception area.
- Confidentiality is key. All parties need to know that what is seen in the classroom is held in confidence.
- Please arrive in a timely manner.
- Please jot a note in the homework diary, if you're unable to come in at your regular time.
- Remember that flexibility is important.
- If you are needed in another classroom for the day, then we will do our best to give you prior notice.

Expectations of teachers:

- Teachers will jot a note regarding how your help is needed when that need is specific.
- We will let you know when there are schedule changes in the diary.
- Remember that flexibility is important.
- We will do our best to be ready in a timely manner.
- Confidentiality.

We would like to thank you, in advance, for helping to make a difference at Lyneham Primary School.
