

Spring Newsletter 3/4S

What a Day!!!

We had a fantastic day dressed up as Greeks. We heard about different Greek Gods and myths linked to them and acted out one of those stories.

Class Assembly

Our assembly was the second week back after Christmas so we did not have long to plan it. We decided as a class to pick our favourite bits from last term.

We worked in groups of to write the script for the different subjects. We enjoyed sharing with the parents and the rest of the school all our hard work from last term.

Jessica & Isabelle

Pandora's Box

*What a show!
This has been the
final part of the
Spring term.
All 3 and 4 children*

*took part in this production. We learnt the
songs with Mrs Walsh on Wednesday afternoons.
It was great everyone enjoyed it.*

Science

This term one of our topic was Sound. We learnt about the ear and how sounds are actually heard. We then had great fun making out own musical instruments.

Alex and Adam

In RE we have looked at local churches and different aspects and symbols linked to the Christian Church. We have been to both churches for a visit looking at symbols within them. It was good to meet the Vicars in both churches.
