

Sports Premium 2013 - 2014

Sports premium was used towards developing our provision for PE, School Sports and active lifestyles in the year 2013-14. Ashton Park Sports partnership and the Youth Sports Trust provided us with a programme of sports competitions with other schools, training for teachers, networking and taster days for children to try out new skills.

We have taken part in a range of inter-sport competition involving children across the school including: Netball, Tag Rugby, Tri-Golf, 'Stages' dance, Gymnastics, Football, Cycling, Hockey, Cricket, Tennis and Swimming and organised some sports house competitions for KS1 and 2. We have given some of our KS2 children the opportunity to officiate in our sports matches and sports days and at the end of the year we achieved the Sainsbury's School Games Bronze Award.

We are keen that children should live healthy and active lifestyles and this year we successfully set up a tracking system to monitor the opportunities given to participate in an extra curricular activity or sports activity. We completed another year of cycling activities led by our LSA Ms Jo Grimes and set up a new Free Wheel Friday before school which allows children to scoot and skate around a course set up in the playground, Ms Rachel Whitwell (LSA) led a new playground leadership scheme at lunchtimes and Ms Helen Fletcher (LSA) successfully ran a new change for life club which develops leadership skills, overall fitness and teaches a good attitude towards competitive sport. We have set up a new healthy and active lifestyles assembly each week that celebrates the achievements of our children in PE and sports and children are also given the opportunity to feedback to the school by using ICT and/or reading reports that they have written about an event.

In PE, Gymnastics was identified as an area we would like to improve, so we worked with a gymnastics coach, who also advised the teachers in helping children develop the skills they need to progress. We purchased some teaching aids to develop the consistency and progression of fundamental movement skills and sports across the school and introduced an assessment system in to KS2. In line with the School Improvement Plan we also successfully wrote a school vision for PE, School Sports and active lifestyles with the staff, children and parents and rewrote the school policy to bring it in line with the new curriculum.

We ran three school sports clubs after school that included: Football KS1/2; Netball Y5/6 and Gymnastics Y1/2 and spent £2.329 on equipment, which updated our provision to enable staff to teach the new curriculum to a high standard. We also purchased

some team kit for our established netball squad and some school t-shirts for our children participating in other inter-sport competitions.

This year, we measured the impact of how many of our children were participating in inter-sport competition compared to 2012/13. This was facilitated by using some of our School Sports Premium to pay for transport. The figures are as shown below:

	Inter-sport competition		Extracurricular sporting activity	
	Key Stage 1	Key Stage 2	Key Stage 1	Key Stage 2
2012-2013	50%	62%	25%	40%
2013-2014	57%	81%	63%	43%

	2013 - 2014	Detailed spend 2013-2014
Ashton Park Sports Partnership	£1000	Membership fee
Youth Sports Trust	£270	Membership fee
PE course	£50	First Funs Resources
PE resource files	£350	LCP KS 2
Equipment	£2,379	Updated to match the curriculum plan after audit of equipment completed 2013/14.
Sports/Dance Events	£250	Stages costumes
Professional Sports Coach	£1980	Gym coach 4 small terms Money reimbursed from Superstars and carried forward to fund further Sports Coaching.
Coaches/Mini bus hire	£771	Tri-golf, Tennis and Gym
