10th December 2010

Dear Parent/Carer,

Parent Pay

Following advice from the provider of the above service, we have set the minimum amount payable for school lunches at £10.00. This is to encourage you to use the service in the way it is intended, i.e. an account for lunches rather than the old system of paying daily. You can log in at any time to see the current balance on your child's account and from January will be able to tick the days your child requires a lunch.

As part of the second phase of our trial period, from 6th January we are aiming to go totally cashless with our school lunches and therefore will not be accepting cash into the school office for this purpose. If you have misplaced your original letter with log-in details, please contact the school office for a replacement.

Thank for your continued support in this matter.

Yours sincerely,

Elinor Hutton
School Business Manager
