

## Carden Primary School curriculum overview for History

History will be linked to the year group topic. Here at Carden we have identified the key subject skills for History that we believe are essential for children to experience and re-visit several times between years 1 and 6. The skills for History are:

- To investigate and interpret the past
- To build an overview of world history
- To understand chronology
- To communicate historically

The tables below outline what will be taught in History for each year group in each half term or term.
