

Summer Term 2015 Newsletter

Welcome back to everybody, we hope you had a good Easter Break and are ready for the Summer Term. Last term was short and seemed to fly by, but still provided the children with many new learning opportunities. The term was a great success with children making progress and getting out and about. Class 3 had a super visit to Woodside Falconry Centre and Class 4 to the Deep (where unfortunately the penguins failed to make an appearance). We had a great Book Week with the children studying a book in depth and showing their knowledge at our Reading Competition. The children also enjoyed dressing up as a character from a book and the writing they produced showed their engagement with the week. I was very proud of the children after their Easter Assembly, where they took part with confidence and enthusiasm, singing some new songs and telling the Easter Story. It was also lovely to see so many Dioramas brought in for the competition and I would like to thank you for the support you gave to the children in putting those together.

Mrs. A Crawshaw
Headteacher

Overleaf are the important dates for next term but I would like to draw your attention to the following:

Week beginning 11th May - SATS Week (year 6)- Mr. Wiley will be sending a letter out prior to SATS week to let parents know about the timetable etc. However just to pre-empt the letter I would stress that it is very important that the children are in school for that week where possible. We always take great care to ensure that the children are supported and do not become anxious during this week, so a good breakfast and a few early nights will help them through.

15th May - Coffee Morning for Parents - we will shortly be inviting you along to a coffee morning, where you can enjoy a chat with each other and also myself and the Class Teachers. We will be available from 9.15 to 10.00 to find out your views about school and share ideas for the future. In addition you will be able to chat informally to your child's teacher and ask any questions you may have. Any of you who would like to bake cakes for the occasion, are more than welcome to do so!

Week beginning 18th May - SATS Week (year 2) - Year 2 children will be taking part in their SATS week during this time and once again I would respectfully request that where possible, children are in school during this week. Whilst just as important, the KS1 SATS are teacher administered and are much more relaxed. We certainly would not want children to worry or feel pressured in any way. Once again a good breakfast and early nights will enable them to do their best in these assessments.

Diary Dates

Reminder that letters will go out to parents nearer the time

April

29th Mrs. Lovey visiting from St. George's (Year 6)

May 2015

4th Bank Holiday

11th SATS Week
