

Title: Dork Diaries Pop Star

Author: Rachel Renee Russell

Setting: School

Synopsis: Nikki Maxwell's School is holding a talent show and Nikki can't wait to get practising with her BFF's Chloe and Zoey. But then Nikki finds out that her arch-nemesis, McKenzie is also entering the contest and is planning to take the spotlight of Nikki and her friends. Can the dorkiest girl in school take on the meanest most popular girl in Westchester School.

My Opinion: My favourite part of the book is when Nikki and her band performed because it made me feel like I wanted to read some more.
