

Name: The Magic Finger

Year published:1966

Author: Roald Dahl

What I liked about it: I like the book because her magical finger casts spells when she's angry.

What I don't like about it: I like it all head to toe.

Characters: Mr and Mrs Gregg , the girl with the magic finger, Philip and William who are the brothers of the girl with the magic finger.

I would recommend this for: 8+

Star rating: ★★★★★

The magic finger is something that I could do since I was a baby, I can not tell you how I got it because I don't know myself . It usually happens when I get angry. It just happens in a flash.
