

Great London Buildings

Due 29th June 2015

Our home learning project focus this term is on the fantastic architecture of London.

The children within year 5 and 6 are expected to produce a creative project based on our theme. They will then present their projects during our open morning on **Friday 3rd July**.

Ideas:

-An interactive quiz about the architect who designed The Shard.

-A painting of the Natural History Museum.

-A report about the destruction of

buildings within the Great Fire of London and the subsequent rebuilding of London.

-A comic story using London buildings as the backdrop
