Wednesday 20th May
Before school & 3.30pm—6pm

IMPORTANT—Health & Safety

Following two accidents this week, please will you ensure that your children stay with you when you collect them at 3.30pm and ensure that they do not play on any equipment that is in school playground while you are on school premises.

Outdoor Area — Setting up E.Y.F.S

Hopefully the good weather will allow us to use the outdoor environment more. E.Y.F.S will be setting up their outdoor area with various activities first thing in a morning in readiness for the E.Y.F.S children's start of school day. Could we ask that these activities are not disturbed and you do not allow your children to play with/on them as your children are not covered by our insurance if allowed to play with/on any of the play equipment whilst not under the care of our staff. We thank you for your assistance.

Open Afternoon & Art Exhibition

We will be holding an open afternoon on the 15th July beginning at 1.30pm. This will give you the opportunity to look at your child/ren's work from the past year and discuss reports with the class teacher.

During this afternoon an art exhibition will also take place in which art work produced by your child/ren will be on display and will be available for you to purchase. Enterprise stalls will also be running.

We welcome parents/carers of children with surnames M-Z into school from 1.30pm and parents/carers of children with surnames A-L into school from 2.30pm.

Parents/carers are welcome to take their child/ren home with them afterwards.

Transition

A part of their transition Yr 1 / 2 children will be brought out onto the main playground via the courtyard gate, with effect from Monday 27th April. The children will also be encouraged to enter the courtyard and classroom on their own.

Feedback and Comments

Feedback from children, parents, governors and visitors is welcomed and really important to us. I would like to take this opportunity to share some of the recent comments that we have received.
