1. Abi led the meeting at the beginning. She spoke about the Pupil Parliament Meeting she attended with Callum, (Keeley couldn't make it due to class commitments). The Time Capsule is finished but needs a few bits put in.
 - ✓ A school jumper
 - ✓ A picture of Mr Upton - the group voted on it being a silly photo...or a serious one. The winning vote was one of each.
 - ✓ School Council/Eco photograph and ECO code.
 - ✓ The scrap book should be completed by half term. The girls will take it to Hillside.
2. Worry Boxes - the group discussed how they are being monitored in class and ideas were given on how it might work best. The decision was to monitor in class, then if needed see Mrs Lock.
3. The group want a child friendly bin. The litter flies out of the one on the playground. They suggested a BIG TIDY on the school field before summer. The glass on the bin they found was reported to the office and then Perry cleaned it up.
4. They want to know how to make our school even more eco friendly - discussed ideas.
5. Anistasya suggested a Visitor Book in the school foyer. All the council could put fun things that DS do. The group liked this idea.
6. Year 4 said that the school library is messy. They said that they could tidy it. Ekenna and Nancy asked Mrs O if this was the job of any other class group. She said that they could do it if they wanted to. The council voted that this was a good idea and the girls will start the job on Tuesday after May Day holiday.
7. Callum said that he noticed the perimeter fence on the school field was broken. Callum told Mrs Whitfield and Perry will investigate.
8. Daniel suggested that at the school fair Sumo costumes could be used.

At the next meeting all these ideas will be discussed
