Flying Free - Don Besig

Adjudicator's Remarks:

A lively opening here and a super bright sound really 'selling' the song. Well controlled dynamics and words were always clear. You maintained the energy well. Good balance between the parts.

② Excellent change of atmosphere, and some lovely part singing here. Make sure you are always using the tummy muscles to help support the long phrases. - generally this is working well for Wynne Keeble
you. An enjoyable + well prepared performance
