

What parents and carers say

A relief to find a listening voice on the phone who is approachable, calm and professional

Without your advice and support I would have been telling a very different story

I found it hard going into school but together we cracked it

It really helps parents to know that there is help when it's needed

Special Educational Needs and Disability Information, Advice and Support Service

Formerly Durham Parent Partnership Service

Providing confidential, impartial support and advice for parents, carers, children and young people up to the age of 25 years in relation to special educational needs and disability.

For parents

Do you have questions about your child's educational needs?

Would you like more information or support in relation to SEN or Disability?

Do you, as a parent, need help with transfer arrangements, or paperwork, regarding the choice of your child's next education setting?

For children and young people

Do you have questions about your own educational needs?

Or are you a young person with Special Educational Needs who would like some help and support with deciding on your next education placement?

Do you understand how to access the help and support you need?
