

Dear Parents

This week has been one of determination and hard work, especially in Year 6 where our children have been wonderfully supportive of each other and determined to do their best as they completed their SATs this week. Breakfast Club each morning has been full of positivity and support for each other. We know that each and every pupil has worked hard and done their very best this week.

And so on to other things! The Lion King is to be this year's Upper KS2 summer production. It will take place on Tuesday 7th, Wednesday 8th and Thursday 9th July at the Hope Chapel Centre and promises to be a most spectacular affair! Meanwhile the Year 3 and 4 concert at the Colston Hall is another highly anticipated performance taking place on Thursday 18th June at 7:30pm.

Class One and Reception enjoyed their visit to Leigh Woods last week and came back suitably muddy and windswept (as did our parent helpers – thank you to you all!) Class Two visited the Zoo, a lovely trip that had triggered some super writing and drawing in class.

As you all know, our new Green space is officially in use now. P.E. lessons have been transformed and this week even saw Year 6 teaching Year 1 their own carefully devised P.E. session much to all party's enjoyment. This is a good point at which to mention that the Green is not for children to play on after school hours. The school gates are closed at 3.50pm and children and parents should have left the premises by this time unless taking part in an after school event.

And finally I would like to remind all families that if they have children who are old enough to walk home alone please ensure that you have talked with your child about their route home, crossing roads safely and making sure that responsible adults know where they are. On a similar point please can all families ensure that we have your current address and contact details; even if you are living at a different address temporarily we need to have this information at school.

Wishing you all an enjoyable weekend and special family time together when half term comes.

With best wishes

Mrs. Delor

ACHIEVEMENT NEWS

Well done to all of Year 6 for being such superstars during their SATs tests this week; we are very proud of you all!

Year 2 have also been hard at work during their end of Key Stage assessments over the past fortnight. Well done to all of you.

E-Safety Event for Parents Monday, 15th June at 6:00pm.

We have an important and very informative parent evening session coming up next term. On Monday, 15th June, we will be hosting an internet safety and e-safety information evening for parents. This will be led by the e-safety division of the Avon and Somerset Police who regularly deliver sessions of this sort at primary and secondary schools. We hope you will find the content very useful whatever the age of your own children. More details to follow after the half term break.

Gardening Angels needed: can anyone spare a Friday afternoon over the next couple of terms to help out in the Garden for Life? We would really appreciate some green fingered assistance. Please contact Lisa Clarke if you can help.

BSMS Summer Concert at Colston Hall for Year 3 and 4

The first rehearsal for Year 3 and 4 will be this Tuesday, 19th May. If any parents/carers are able to help walk the children to the Colston Hall, please contact the Office. There will also be another rehearsal on the day of the concert itself – more details regarding this will be available nearer the time.

Just a Reminder: Please ensure that children bring a coat to school every day. Now that we have our new green, we will be taking the children out in all weathers.
