Dear Parents/Carers,

**Re: Disability Equality questionnaire**

As part of our duty to promote disability equality at Watton at Stone Primary and Nursery School we would like to gain the views of parents/carers. We have therefore created a questionnaire for parents/carers to complete which is available from the school office as of today. It can also be accessed via our school website in the SEND section.

We would really be grateful if you could spend a few minutes of your time completing the questionnaire. Your responses will be used to support policy development including the accessibility plan, which will in turn improve provision for disabled pupils and adults within the school community.

The views of pupils will also be gathered through class assemblies, circle time activities, questionnaires, PSHE opportunities as well as School Council meetings.

Please could you return the completed questionnaires to the school office by 9<sup>th</sup> June 2015.

Thank you in advance for your continued support.

Yours sincerely,

Mrs Sukhi Gill
