As Head Teacher, I am proud to welcome you to Dunton Bassett Primary School and our website. Together with our extremely hard-working and caring staff team we work to ensure that every child has a positive school experience and achieves their potential. We are concerned not only for the children's educational progress but also for their health and welfare.

Our school is a small village school; a family orientated school with a strong ethos of working together. Our belief is that education is more than book work and should be based on a variety of experiences and opportunities.

Dunton Bassett Primary School is a popular school, taking in children from the surrounding villages. We currently have 92 children on roll at the school, but we are able to accommodate up to 105 pupils. If you are interested in sending your child to our school we encourage you to visit the school so that you can see us as a living, working community. Contact the [school office](#) to arrange a tour.

I am Head Teacher over two schools, which keeps me extremely busy! My other school is another local school, [Claybrooke Primary School](#), which is only a few miles away from Dunton Bassett. As a school, we have close links with Claybrooke, giving the children and staff opportunities to work together, share ideas, visit each other's schools and benefit from the resources across the two schools.

I hope you enjoy looking around our website and finding out a little more about us!

Jo Blackburn
