### Conditions of Internet Use - KS2

In order for pupils at Greenside to browse on the Internet or use E-mail, the school requires that each pupil and their parent or guardian sign this agreement, to demonstrate that they understand the importance of following these strict rules:

- I will not bring in floppy disks, CD's or memory sticks from outside school unless I have been given permission.
- I will only use the Internet when I have permission and a teacher supervises me.
- I will only send e-mails to people my teacher has approved. The messages I send will be polite, responsible and only signed in my name.
- I will not give out any personal details, such as another pupil's address, telephone number, picture, school telephone number, or the name and location of my school without my teacher's permission.
- I agree never to meet someone I communicate with through e-mail.
- I will tell my teacher straight away if I come across any information that makes me feel uncomfortable or upset.
- I will only use search engines or sites that have been selected by a teacher.
- I will not try to find or use unacceptable material from the internet.
- Downloading of any files off the Internet is only to be done by members of staff.
- I understand that the school may check my computer files and monitor the Internet sites that I visit.
