19th of December Year 3 and 4 party

19th December break up for the Christmas Break

KS2 SATs start on the week commencing the 11th of May 2015.

All clubs will finish on the 5th of December and continue after the holidays.

Nut Allergy Awareness

Last week one of our pupils had a severe reaction on the way home from school. Although it is very difficult to pin point exactly what has triggered a reaction, we would just like to remind you that we must keep school nut free. This should include snacks and also any birthday treats you may send into school to share with the class. Please help us to keep school as safe as possible for all children.

Library Bus

Thursday the 18th of December will be the last Library Bus visit due to cut backs. Could you please ensure that all library books are returned before this date.

Road Safety

Please try to park safely when dropping off and collecting from school. The yellow Zig Zag lines should be avoided to allow the school buses access to the school. We are receiving more and more complaints from the residents who live close to the school and parents who park up and walk. Please support the school in keeping all our children safe.

Children in Need

Thanks to all the children and parents who have supported Children in Need. The children looked brilliant! Altogether the children have raised £801. Well done to the School Council and to Mrs Chapman for organising such a successful event.

Finally, we are pleased to announce that Mrs Harvey is expecting her second baby in the Spring Term. We are currently advertising for Mrs Harvey's maternity leave and will update you as soon as we are able to.

Many Thanks

Sharon Hallsworth

Acting Headteacher
