

# Summer Term 2015

## Newsletter 2

Welcome back to everybody, we hope you had a good half term break. With the weather hopefully getting warmer at last, we will endeavour to get the children outside as much as possible, especially as we have invested in the quad area, to include a covered stage and bench seating. This will promote speaking and listening and increase vocabulary and confidence! We will also have an area for children to sketch and they will also be able to work outside in small groups, on a variety of tasks throughout the curriculum. The children made us very proud with their approach to their SATS last term and did everything that was asked of them. I am sure that with their hard work and the dedication of the teachers and support assistants in school, we can look forward to a good set of results! The next term is always a busy one so please take note of the dates for your diaries.

Mrs. A Crawshaw

Headteacher

WEBSITE: [www.tedder.lincs.sch.uk](http://www.tedder.lincs.sch.uk)

I hope that many of you will have had the opportunity to look at our website and familiarise yourselves with the news and information contained there. Letters, menus, event photos, Topic Sheets, performance data and curriculum information are all available to keep you up to date with School life.

**Overleaf are the important dates for next term but I would like to draw your attention to the following:**

**Tuesday 9<sup>th</sup> June - Scholastic Half Price Book Fair.** After our last successful Book Fair, we have been able to arrange another from Scholastic and those of you who attended, will no doubt agree that there were many great bargains to be had. The fair will be open after school from 3.15 until 3.45 from the 9<sup>th</sup> to the 12<sup>th</sup> June. Hope to see you there.

**Friday 26<sup>th</sup> June - Camo Day** - Once again we are going to have some fun and raise money for SSAFA. The children will be able to come in dressed in military uniforms, which I know many of them have and love to show off proudly. Alternatively any type of combat trouser and T-shirt will be absolutely fine for those who wish to join in.

**7<sup>th</sup>, 8<sup>th</sup>, 9<sup>th</sup>, 10<sup>th</sup> July - Class Assemblies** - This week will be a real celebration of the learning that has taken place over the year. Each class will take an assembly for the whole school and parents, which will commence at 9.15. The assemblies will be a showcase for all of the wonderful topics covered during the year and are always a pleasure.

**Friday 10<sup>th</sup> July - Summer Fayre** - This is a great event where the children from Class 4 have a mini project week and produce games and stalls which are fun for all of the family. They work out costings for the stalls and profit forecasts and organise and run the stalls themselves. We would welcome participation from anybody who would like to run a stall which included arts and crafts etc, simply let the school know what your requirements are. A fee of £5.00 per pitch will be payable.

**Tuesday 14<sup>th</sup> July - Parents Afternoon/Evening** - This year at the end of the Summer Term, we will be holding one parents afternoon/evening. This will follow the children's end of year reports which provide a comprehensive picture of what your children have accomplished over the year and what their targets are for the future. The Parents Afternoon/Evening, is therefore designed as an opportunity for you to meet with your child's teacher and discuss any matters arising from the report, which concern you. Hopefully this will make it a much more productive opportunity for both parents and teachers. Once the reports have been received, if you have any issues that you would like to discuss before the end of the year, please telephone the office for an appointment.

## **Diary Dates**

**Reminder that letters will go out to parents nearer the time**

### **June**
