

Dear Parents

I hope all families had a very happy half term week and have enjoyed, as much as I have, the first week back at school. On Wednesday the whole school took part in a mixed age workshop session, with younger children working with older children and siblings spending time together, creating Garden Designs for our Garden for Life. This Autumn will see the 10th Anniversary of the opening of our school garden and we want to mark this special event by creating some new and inspiring features in the garden itself. The children came up with some fantastic ideas ranging from a pizza oven to a chicken coop! Plus runner bean arches, ponds, wildflower meadows and many, many more wonderful ideas!

Next Monday the children will take part in our e-safety day with visiting organisation Full Circle who will be running workshops for each year group across the school. **This will be followed on MONDAY 15TH JUNE by a parents evening session on internet safety** and all the surrounding issues. Please do set aside an hour and a half to come to this event and gain valuable up-to-date information about this important issue.

Please remember now that the summer weather approaches to help children in wearing appropriate clothing to school. Please avoid flip-flops, strappy vest tops and very short shorts. Please also be aware that for health and safety reasons we request pupils only to wear studs if they have pierced ears and not to wear other jewellery to school.

Enjoy a sunshine filled weekend!

With best wishes

Mrs. Delor

ACHIEVEMENT NEWS

Congratulations to our Year 5/6 girl's cricket team who played in a cricket festival at Bedminster Cricket Club this week. You all played really well and showed great sporting behaviour! Well done to you all.

Letters out this week

Boat Building Trip, Year 6
Festival of Nature Trip, Year 5
Lion King letter to Year 5
Foundation Stage Welcome Evening letter

Active Travel Week was a huge success, many thanks to parents who walked to school with the children in our Walk to School procession. The children really enjoyed walking/scooting/cycling to school.

E-Safety Event for Parents

Monday, 15th June at 6:00pm.

We have an important and very informative parent evening session coming up next term. On Monday, 15th June, we will be hosting an internet safety and e-safety information evening for parents. This will be led by the e-safety division of the Avon and Somerset Police who regularly deliver sessions of this sort at primary and secondary schools. We hope you will find the content very useful whatever the age of your own children.

We are delighted to announce that this year's musical production extravaganza will be:

THE LION KING

Auditions for Year 6 have taken place and rehearsals are well underway for what looks to be a fantastic show! Letters regarding ticket sales for Year 6 will be sent home next week, so please keep an eye out in book bags! In the meantime, you can keep up to date by checking our Production Blog on the school website!

A huge thank you to all of the parents who are working so hard behind the scenes to organise costumes, scenery and props! Without you, our shows would not be possible!
