Water bottles and Sun Cream

During the nice spell of weather please ensure that your child brings their water bottle to school and that you apply sun cream **before** they come to school – Thank you.

Parents' Survey

Way back in March, during Parents' Evening many of you completed a questionnaire.

The forms have been collated and the results are attached.

The results show a positive support from parents for the work of the school, but I would not wish to be complacent and I know that whilst this is a good school, there are still many things that we need to improve upon.

If you helped by completing a questionnaire, thank you!
