

FEEDBACK

MOTHERS DAY LUNCH - 10th March 2015

We asked: DID YOU ENJOY COMING IN FOR THE MOTHERS DAY LUNCH?

100% said YES and

- Very much so, it's special to parents as well as the kids.
- I thoroughly enjoyed attending the lunch, although my son was more concerned that I was holding him up for his outside play.

We asked: DO YOU FEEL THAT THE LUNCH RAN SMOOTHLY?

You said:

- It was very nice and enjoyable.
- The best so far, much better waiting times and didn't feel rushed.
- Yes, much more efficient, hardly had to wait at all. Beautiful, hot dinner and not a scrap was left. Two people serving dinner rather than 2 on pudding definitely worked better.
- This time round it ran much smoother than previous times.

We asked: WOULD YOU LIKE MORE LUNCHESES LIKE THIS IN FUTURE?

Majority said YES, and

- Love seeing my little one happy.

However, a couple of comments suggested enough was enough. Harvest, Pancakes, Mothers, Fathers, Christmas, Easter can become too many.

Following feedback, we will plan to only have one lunch per term in future.
