15th June 2015

Dear Parents / Guardians

CAMO DAY - FRIDAY 26TH JUNE 2015

Dress up, blend in...put your pennies in the tin.
With Armed Forces Day 2015 just around the corner, Camo Day is a chance for schools to show they care about our soldiers, sailors, airmen and their families with a simple non-uniform day on Friday 26th June - the day before Armed Forces Day 2015.

Camo Day is in aid of SSAFA; this means that SSAFA can continue to provide a lifetime of support to our Forces, past and present, and their families. They are a national charity that works on a local level, so all money raised by school will help people in your local community.

Get involved in Camo Day by donating £1.00 to either:-

- Cam your face
- wear camouflage clothing and accessories or dress in military themed outfits

Our involvement in Camo Day will mean that local veterans will be supported; that children will have a safe place to share their grief with others who understand and that wives can continue to have a home from home whilst their injured partners are in hospital.

Yours sincerely

Mrs A Crawshaw
Headteacher
