ACTION MRS KING

Years 3 and 5 are getting on better at football.

Another reminder is needed that only staff and Young Leaders are to take equipment out of shed. **ACTION CLASS TEACHERS** Mrs King is to tell the Junior children that if they want to play with equipment after the Infant children have gone in they must bring equipment to the shed to help the Young Leaders. **ACTION MRS KING**

Issues

YEAR 6

*Computer in library was not working. Mrs King will investigate. **ACTION MRS**

KING *People are taking books out under other people's names and this is not allowed. The Librarians must take control of this situation. **ACTION YEAR 6 REPS**

*Year 6 would like a sports day for the whole school that is run differently, where

there are football, netball and rounders matches as well as the athletic activities. This may be more appropriately set up as a Day of Sports. Mrs King will take this idea to staff for consideration. ACTION MRS KING *There was a query given to the representatives about lunch time activities but this needed clarification. Year 6 will confirm the issue and report back to Mrs King and the Council. ACTION YEAR 6 REPS *Year 6 footballers were aggrieved that whilst netballers were able to train at lunch times the footballers were only able to have further practice once a week because of the football rota. Mrs King will speak to Year 6 to see how this can be dealt with.

ACTION MRS KING

*Year 6 would still like a summer overnight camp as part of their end of year/school

celebrations. Mrs King will think about this.

ACTION MRS KING

YEAR 5

*Year 5 would like to know if there is a fund raising effort going on to support the people in the stricken area of Japan. They will investigate and report back to School Council. ACTION YEAR 5 REPS

YEAR 4

*Year 4 pupils are snatching and collecting/hiding equipment at lunch time. The Year 4 Representatives will speak to Mr Jewels about this so that he can address the issue with the whole class. ACTION YEAR 4 REPS *Some equipment is missing - some of the skipping equipment and the circus skills equipment. Year 4 will speak to the Young Leaders to see if they can find these items in the shed. ACTION YEAR 4 REPS

*Basketballs need pumping up. The Year 6 Representatives will deal with all balls that need inflating. ACTION YEAR 6 REPS *There are broken pens in the classrooms - Class Representatives need to speak to their class teachers to deal with this issue. This is not something that needs to be brought to School Council generally. ACTION CLASS REPS *Some children are deliberately ripping and damaging the fish sculpture on a regular basis. It is often Year 2 pupils so Year 2 Representatives to speak to Mrs Dowie.

ACTION YEAR 2 REPS

YEAR 3

*Can we have a sporty "Golden Time" Activity each week? Mrs King will mention this wish to all the staff. It was mentioned that there is a sporty choice most weeks.

ACTION MRS KING

*It was agreed that if we lost no Golden Time this week then we will all go to The Meadow in the last week of term.

YEAR 2

*Year 2 want a Teddy Bears' Day - we thought we could amalgamate this with a "pyjama day" in aid of RSPB and RSPCA with a charge of £1.00 for pyjamas and 50p

to bring your teddy. It was decided to hold this on Friday 20th May.

*Year 2 want to celebrate the Royal Wedding and Mrs King will look into this as FOW may want to do something too. ACTION MRS KING

YEAR 1

*Year 1 were concerned that children were removing the triangular grips from the pencils in the classroom. This issue needs to be addressed in class and the Year 1 representatives will speak to Mrs Fowler about their concerns. ACTION YEAR 1 REPS *There are some pins being used to display work in the dining room and children are "playing" with them again. Breakfast Club will be reminded. ACTION MRS KING
