NB The acceptance by the Headteacher of this form, duly completed, does not constitute a promise of admission but your application will be carefully considered and the claims of your child weighed against the claims of other children. If any of the above information changes please notify the school immediately.

Admission criteria to local authority nursery classes or nursery schools

1. Children looked after by the local authority (in care).
2. Children identified by the local authority as having learning difficulties or a disability greater than most other children and who will benefit from early integration. The referral of such children will be via the Special Needs Section.
3. Children with particular social, medical or language needs.

Please note: Appropriate objective evidence will need to be supplied in support of the three categories above and referral would normally be via professional agencies.

It is also envisaged that the total number of places allocated according to the criteria above would form only a relatively small proportion of the total number of children attending the nursery.

4. Priority should be given to the 'Rising 4' cohort, in order to maximise the opportunities for children to receive at least one year of nursery education before starting school. The majority of places will be allocated to this cohort of children.
5. Distance from the school – this is measured in a straight line distance between the child's permanent residence and a central point in the nursery.

This criteria would be applied to the entire 'Rising 4' cohort after application of categories 2 and 3.

The criteria will automatically apply in all community/voluntary controlled nursery schools/classes. Criteria for admission at voluntary aided nursery schools is the responsibility of the governors. You will need to check with the headteacher whether or not the criteria are different to those above.

If places remain available after the main intake, further places will be allocated at two points in the academic year according to the children's birth dates as follows:

Dates of Birth	Eligible for Admission
1 st September – 31 st December	1 st January
1 st January – 31 st March	Start of Summer Term (after Easter)
