

Parents and families play a crucial role in helping children to learn.

This document outlines the commitments to be made by the school, the child and the family, and is designed to create an informed partnership between us all.

By working together, we can more easily achieve our goals and aims, and ensure that each child receives a high quality education.

The School will:-

- Produce well planned and resourced lessons to develop and extend all children.
- Provide opportunities for all children, including those with special educational needs and the more able.
- Have a positive and sensitive approach to the children.
- Applaud and acknowledge the children's success.
- Mark and assess children's work.
- Monitor the academic progress and performance of individual children and respond appropriately to their needs and requirements.
- Provide a stimulating and colourful school environment.
- Use assessment data of children's attainment to inform future planning.
- Set realistic but challenging learning targets.
- Maintain and uphold the schools aims, rules and values.
- Communicate regularly with parents to inform you of their academic progress or any difficulties or concerns that we have.
- Ensure that the children are all well cared for during the school day.

Parents/Carers will:-

- Ensure that their children arrive at school on time.
- Ensure that their children are dressed in the uniform that is outlined within our school brochure.
- Support their child's learning by attending relevant information sessions and other school events.
- Monitor and support their child with homework, particularly hearing them read.
- Communicate with teachers and school staff, through the appropriate channels, if they have concerns or worries about the school or their child.
- Listen to their children discuss the school day.
- Praise their children for good work both in and out of the school environment.

Children will:-

- Ensure that they arrive in the classroom promptly after break times, and are ready for the lesson.
- Listen to instructions carefully and follow these in the process of their work.
- Follow the rules of the school.
- Try their best on all activities.
- Undertake homework activities in the allocated time.
