## Maths session – 18<sup>th</sup> June 2015

We asked: DID YOU FIND THE MATHS SESSION USEFUL?

100% said YES

- Terminology has been an issue, and it now makes more sense. Good presentation.
- And possibly need another one mid-morning when I have more concentration.
- Good overview of forthcoming curriculum changes.
- Useful to know what is expected and how the children will be doing it.
- Useful to see how maths is taught and how I can help at home.

We asked: DO YOU THINK THE SESSION WILL HELP YOU WITH YOUR CHILD'S WORK?

You said:

- Yes, sometimes I can only help by explaining how I would do it, which isn't always the way my child has been taught.
- Definitely, as well as useful info on what materials / websites to use.
- Yes, I can help better with homework.
- Yes, perhaps the next stage is for a similar session to be held for each year group.
- Yes, I understand the methods now.
- I hope so, but if parents don't get it, it would be difficult anyway. Definitely a start in the right direction.

We asked: WOULD YOU COME IN FOR FUTURE EVENTS LIKE THIS?

100% said Yes and:

- Perhaps needed earlier in the school year.
- Aim at specific year groups next time.
