You said:

- I already knew the basics but it was very good for those who have little ones and who haven't yet come across phonics.
- Mrs Wheelers Reading section was very informative, and it was good to hear other parents concerns and suggestions.
- The reading session was really useful and Mrs Wheeler used lots of examples of how she has dealt with her own children too which helped make it feel relevant.
- Yes, but it should have taken place at the beginning of the school year.
- Yes, it explained phonics in a way that I am now able to share with my child at home.
- It would have been useful at the beginning of the year because it would really have helped me know how to explain to my child.

We asked: WOULD YOU COME IN FOR FUTURE EVENTS LIKE THIS?

100% said YES and

- Anything to help me understand what my kids are learning and anything that will benefit my kids – I'll be there.
- A great session. After school/evening would be better due to work commitments.
- Maths session would be good too.
