

PE and Sports Grant

PE and Sports Grant

This year the government has provided schools with an additional funding to help with the provision of Physical Education throughout schools. It is to be used as a way of maximising the impact of PE on our children's lives in Nelson Mandela School.

Nelson Mandela Primary School PE and Sports funding Allocation

Carry forward September 2013 – March 2014 -
£5,706

April 2014 – March 2015 - £9,489

Total = £15,195

To continue building the swimming skills of our children through specialist instructors.

To work alongside specialist swimming instructors at Moseley Road swimming pool. To give our children the life survival skills of keeping themselves safe by water and learning how to swim following the ASA scheme of work purchased in the previous financial year with our sports funding.

£2459

To enhance the enthusiasm and quality of physical education for specific target groups across the key stage

The Sparkbrook area of Birmingham has a significant number of families who need to develop healthier lifestyles.

We will be providing extra-curricular clubs and whole school PE challenges in a variety of activities that will motivate and excite the children. We will be launching a huge and exciting "Get Active Challenge" to our families and staff.

Each family will be given a Pedometer and will be keeping a personal weekly diary in the hope that they will be able to "beat their family" target each week.

At Nelson Mandela School we also have a number of sports clubs such as cricket, football and netball led by our teachers. These sports clubs are a great way for our talented children to compete in a competitive manner against other children of similar ability in our cluster.

To provide a health mentor for the school.

Enhancing the quality of physical education	
Pedometers	£2746.25
After school sports clubs	£360
Mini league football membership	£20
Soccer star challenge	£346.98
Health Mentor	£250

Improve physical activity through a summer sports camp

To ensure that our children are as active as possible at all times We will be setting up a summer camp. This camp will run over a period of 4 days during the start of the summer holidays. the children will experience a range of activities that will be delivered by a specialist sports coach.

Summer Sports camp	
X 4 days summer camp	£1200

To provide swimming lessons for children with physical needs.

During the school year, our children with physical needs will be taken to Calthrope School. Here they will use the school's swimming pool to acquire basic swimming skills and build upon their sensory development. The children will be in a small group that uses specialist equipment to ensure that they learn in a happy, safe environment.

Swimming	
Swimming Calthorpe	£136.08
Tail hoist	£112.36
Total	£248.44

Improved physical development in EYFS

We have purchased a climbing frame for our children in the Early Year Foundation Stage.

This will create more challenge for the children and is good for their gross motor skills and their development.

Physical development for EYFS	
Funding towards climbing frame	£1550

Total Spend **£ 9180.67**

Carry forward 14/15 : **£ 6014.33**

Total: **£15,195**

Plan for 2015/16

- Teacher skills professional development .
- Continued swimming for children with physical needs.
- Enhance hours spent on physical activity in the school week.
- Achieving Games Mark school status.
