

# PE and Sports Grant

---

## **PE and Sports Grant**

This year the government has provided schools with an additional funding to help with the provision of Physical Education throughout schools. It is to be used as a way of maximising the impact of PE on our children's lives in Nelson Mandela School.

## **Nelson Mandela Primary School PE and Sports funding Allocation**

September 2013 – March 2014 - £6027

We were allocated this funding on 20<sup>th</sup> November 2013, therefore the majority of this funding was carried forward into 14/15 financial years spending.

## **To update our swimming scheme of work**

We have purchased the ASA swimming framework, teachers' toolkit and games pack. This will aid our lessons and ensure our planning is detailed and a range of skills are being covered in all lessons for all abilities. This is also a framework recommended by our local swimming baths.

## Updating framework

Teachers complete framework

£110.69

## **To provide swimming lessons for children with physical needs.**

During the school year, our children with physical needs will be taken to Calthrope School. Here they will use the school's swimming pool to acquire basic swimming skills and build upon their sensory development. The children will be in a small group that uses specialist equipment to ensure that they learn in a happy, safe environment.

Swimming	
Swimming Calthorpe	£210.00

Total Spend            **£320.69**

Total:                    **£ 6027.00**

Carry forward: **£ 5706.31**

## Plan for 2014/15

- Health for Life school status - non competitive after school clubs.
- Teacher skills professional development
- Swimming for children with physical needs.
- Enhance hours spent on physical activity in the school week.
