

# GOVERNOR VISITS POLICY

## 1. Introduction

1.1 The core strategic functions of a governing body include a) ensuring that the vision, ethos and strategic direction of the school is clearly defined; b) ensuring that the Head Teacher performs his or her responsibilities for the educational performance of the school and its pupils; and c) ensuring the sound, proper and effective use of the school's financial resources.

1.2 The governing body, as a corporate body, has additional responsibilities in relation to areas such as Health and Safety and Child Protection. Additionally, it has an important role in monitoring the effectiveness of the curriculum and understanding the progress that is being made towards targets set out in the School Development Plan (SDP).

1.3 Visiting the classrooms is one way in which this can be achieved. Governors are an important and integral part of the school community and are welcome in school. Governors are expected to be involved in a formal way through their governorship and are also encouraged to be involved in an informal way.

## 2. Background

2.1 It is essential that governors see classes at work and be familiar with the life of the school during the working day. This enables governors to be good ambassadors of the school and increases their knowledge base, so that they can make wise decisions and provide effective support and challenge at Governing Body meetings.

2.2 In addition to visiting the school and attending meetings, governors should ensure that they undertake appropriate training to support them in their role.

2.3 Governors have no automatic right as individuals to visit the school and it is crucial that governors and the staff understand the governors' role - in particular that governors do not have an inspectorial role and have no right to go into school without notice.

2.4 The Governing Body is a corporate body which means that no governor can act on her/his own without proper authority from the full governing body; all governors carry equal responsibility for decisions made and the overriding concern of all governors is the welfare of the school as a whole.

2.5 Everyone concerned should understand that governors go into school primarily to learn and not to judge. Most visits occur because the GB has decided it can be an important way for governors to understand the progress of activities and priorities on the School Strategic Plan (SSP).

## 3. Formal Visits

3.1 Governors attached to a department or class should arrange an appointment to discuss how to proceed with the link arrangement. The Head Teacher should always be made aware of this appointment.

3.2 It is inappropriate for a governor to come into school or visit pupils engaged in Learning Outside the Classroom activities without an appointment and approval of the Head Teacher.

3.3 The reason for the visit should be outlined e.g. curriculum area; SSP area of focus etc.

# GOVERNOR VISITS POLICY

3.4 The visit should promote both educational awareness and goodwill.

3.5 The visiting governor should be both sensitive and positive towards staff, pupils and the school environment.

3.6 Governors are not inspectors and will not make professional judgements about teaching and learning.

3.7 Governors should be aware of the need for confidentiality and be familiar with the Safeguarding Policy.

## APPENDIX 1

### Protocol for Governor Visits

#### Preparing for a visit

1. Check the agreed policy for governors' visits
2. Clarify the purpose of the visit. What are the relevant parts of the School Strategic Plan that relate to my visit? What are the relevant school Policies? What am I looking to understand as part of my delegated named governor role? How does this determine the activities I am interested in?
3. Discuss the purpose of the visit and an agenda with the Head Teacher well in advance. Make sure that the date chosen is suitable.
4. Time permitting; discuss the proposed agenda with the staff involved. If appropriate, consider how do they want governors to integrate into the lesson
5. Be clear beforehand exactly what you are observing. Try to prepare questions for staff in advance. The teacher may be able to guide you on this.
6. Discuss with the Head Teacher if any supporting information is available – Ofsted report, improvement plan, scheme of work.

#### During the Visit

1. Remember you are making the visit on behalf of the governing body, it is not appropriate to make judgements or promises on behalf of the governing body.
2. Be punctual.
3. Keep to the agreed timetable but be flexible.
4. Decide with the teacher how you will be introduced and what your role in the classroom will be.
5. Get involved with the children if the teacher has agreed that this would be appropriate.
6. Remember it is a visit not an inspection.
7. Observe discreetly. Remember that excessive note taking can be disconcerting and may make your visit look like an inspection.
8. Don't distract the teacher during the lesson from his/her work but be prepared to talk and show interest.
9. Be courteous, friendly not critical.
10. Interact, don't interrupt.
11. Remember why you are there. Don't lose sight of the purpose of your visit.
12. Listen to staff and pupils.

## **After**

1. Discuss what you have observed with the teacher or subject leader. Use the opportunity to clarify any issue you are unclear about. For example, did your presence have any impact on the atmosphere in the classroom? If so, how?
2. Refer to the purpose of the visit. Consider together whether it has been achieved.
3. Thank the teacher for supporting you in your role as a governor. Be open, honest, positive.
4. Complete the Governor Visits Form as soon as possible after your observation while it is still fresh in your mind.
5. Discuss your observations with the Head Teacher. Be prepared to take the comments of others on board and amend your report if appropriate.
6. Agree with the Head Teacher how and when you will report on your visit to the governing body.
7. Reflect: how did that go? Has the visit enhanced relationships? Have I learned more about the school? Have I helped the governing body fulfil its duties? Has it given me any ideas for future visits?

## **Reporting your visit**

1. After completing your Governor Visit Form ensure it is sent to the relevant member of staff and Headteacher in order for them to check for accuracy and include their comments.
2. Ensure the clerk to the Governing Body has a copy of your visit for the files.
3. Circulate this at the next appropriate committee/governing body meeting.
