

COWLEY HILL

learning for tomorrow every day

Tuesday 24th March 2014

Dear Parents / Carers,

Use of computing to support learning

In school we have access to an online resource to support the curriculum called 'Espresso'. This site is accessible via laptops, tablets and mobile devices and is fantastic to support your child's learning and understanding across all areas of the curriculum.

We have been able to secure a logon which will enable any pupil of Cowley Hill School to access this from home. Pupils can access the service by going to www.discoveryeducation.co.uk and entering the following details:

Pupil username: student16229

Pupil password: cowley

Please help us to support your child's learning by encouraging them to use this wonderful resource.

If you have any questions please don't hesitate to contact the school office.

Yours sincerely,

Louise Thomas
Assistant Headteacher.
