

NEWSLETTER

I hope everyone had a great Easter break and that the children didn't eat too many Easter Eggs. The weather seems to have now changed for the better and the sun is shining. We are encouraging the children to talk about their learning in school this term so please ask your child about what they have learnt when they come home.

This is a very busy term with lots planned; please look at the dates to see what is coming up.

Residential School Journey Autumn Term 2015

Is your child currently in year 4 or 5? If so are they interested in our fantastic residential school journey to Norfolk in the Autumn Term. We have a handful of places left so please speak to the office as soon as you can. If you would like your child to go we can discuss payment terms to suit you.

Reminders - Safety

Please can you help us to keep the children safe before and after school.

Unfortunately the playground equipment is to be only used during the school day and not to be used before or after school when it is not supervised. A child had a serious break of their arm the other year and we would not like any child to hurt themselves.

As the weather warms up I am sure that more and more of the children will be able to come to school on their bikes and scooters. Despite the

playground being a great place to ride and scoot around this can cause a hazard for other children particularly younger siblings. Please can you remind your children not to ride their bikes and scooters on the playground before and after school.

Request for cereal boxes

Year 3 would be grateful for any cereal boxes, toilet roll tubes, kitchen roll tubes. These will be used for their DT project on Ancient Greek Culture.
